Wednesday, June 23, was a day off at the Normal and the school went in a body to the Kentucky Educational Association at Estill Springs. The trip was an interesting and enjoyable one except for a Summer shower that added the discomforts of dampness and mud to the occasion.

The cornerstone laying and dedication of the model school building occurred last Tuesday. A crowd of 500 or 600 people was present and listened to able addresses from Gov. WE feared that it was too good to be true that some night riders at least should feel the halter draw. The six men given death sentences for the murder of Capt. Rankin in Tennessee had their cases reversed because of some little irregularity in getting the jury. This is the beginning of the end. The men will never be hanged. Old technicality has saved many a murderer and will save as many more. The laws seem to be made to save those who break them. It is just such acts as the Tennessee court has been guilty of that breeds the mob spirit and makes a resort to lynching sometimes apparently necessary. THE school per capita has been fixed at \$4, or 40 cents more than last year. It is the largest in the history of the party. Every thing that has been done in Kentucky in educational or other advancement is due to the democrats. If the school fund was not absolutely inviolable it is likely that there would be the State.

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional. The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

The "Night Cure", as its name impfire, does its work while you sleep. It soothes sore and inflamed mucous surfaces, heals local weaknesses and discharges, while the Restorative, cases nervous excitement, gives renewed vigor and ambition, builds up wasted tissues, bringing about renewed strength, vigor, and energy. Take Dr. Shoop's Restorative—Tablets or Liquid—as general tonic to the system. For positive local help, use as well
